HOW DOES IT WORK?

The Salem Gift Certificate is redeemed like a check. A business receiving the gift certificate simply deposits it like any other check. The money is in an account, maintained by the Chamber, and funded by the original purchase of the gift certificate. If a customer uses only a portion of the Salem Gift Certificate, the recipient can give back cash or a credit. Either way, businesses that receive the Salem Gift Certificate will get the full value of the check.

WHERE CAN THEY BE PURCHASED?

The Salem Gift Certificates can be purchased at the Chamber office during our hours of operation. Certificates can be purchased in denominations of \$10 and \$25.

HOW WILL PEOPLE KNOW THAT THE GIFT CERTIFICATE CAN BE REDEEMED IN MY ESTABLISHMENT?

With each purchase of the Salem Gift Certificate, customers will receive a brochure that lists all of the participating businesses. All participants will receive a window decal. Additionally, that list will be posted on the Salem Chamber's web site.

HOW MUCH DOES IT COST?

Salem Chamber Members can participate \$25 per year. The participation fee is used to offset the promotional campaign.
